Later the skiers were feasted at a banquet held at the Kelowna Aquatic Association.

## Diane Stolz wins novice figure skating trophy

Diane Stolz, of Kelowna, daughter of Mr. and Mrs. Roy Stolz, captured the ladies' novice trophy in the Western Canadian Figure Skating Championships held in Trail over the week-end. Diane came first in a class of 22 entries.

Louisa Orwell and Joan Delcourt came tenth and eleventh respectively in the same event.

In the novice men's event, John Franks and Tony Griffin came third and fourth out of a class of four. In the veterans' dance number, Mr. and Mrs. N. Van der Vliet came second in a class of four entries.

Monica Hill competing in the junior ladies' event, sustained a leg injury in a fall during a practice. Although handicapped, she entered the event and completed it with her side frozen to relieve the pain.

The larger clubs such as Winnipeg, Brandon, Edmonton and Vancouver were strongly represented and the performance of the Kelowna skaters along with the club's professional Margaret Mitchell, is a credit to Kelowna, a spokesman for the club stated this morning.

Total of 75 competitors entered the various events and the ten judges, including one from the U.S. found it difficult to make decisions.

## New Elks' coach?

It was learned from well-informed sources this morning that Bobby Dawes, Kelowna, Packer defence-man had been offered the job of coaching Kelowna Elks next year. Present coach is Phil Hergeshelmer, former Packer mentor, who resigned recently and then returned to the helm after minor differences were settled with the hockey club executive.

Dawes was not available for comment at press time.

## 1500 car plates issued to date

Around 1,500 passenger car licences have been issued to date, along with 500 truck plates, Ross Oatman, government agent stated this morning.

Mr. Oatman said the government office will be open from 8:30 to 12:00 noon next Saturday, for the convenience of motorists.

Last year, 1,120 passenger car plates and 430 truck licences were issued at this time.

## Local mail carrier charged with stabbing army auditor

Alex Cyril Ogden, of Vancouver, a federal civil servant attached to the army for audit purposes, is on the road to recovery following a stabbing affray here Thursday morning.

Charged with wounding is postal mail carrier, James Lawrence Brantiff, 537 Central Avenue. Brantiff appeared before Magistrate Marshall Thursday, and was remanded for eight days.

Ogden was first booked by RCMP on an intoxication charge, and was held for several hours before the serious wound in his abdomen was discovered. There were no visible signs of blood on his clothing when he was lodged in the cells, and his injury was not discovered until around 9:00 a.m. before he was to appear before the magistrate. He was then rushed to hospital.

Police withheld the names of the stabbing victim and the alleged assailant for 24 hours, pending the arrival of Mrs. Ogden from Vancouver. The argument took place in the Brantiff home between 4:00 and 5:00 a.m. Police were finally called.

Ogden has been auditing the army's books at the Vernon, Kelowna and Penticton units.

## 341,000 books circulated last year

In her report to the board of management at the annual meeting held last week, Mr. M. E. Elliott, assistant librarian, stated that this figure showed an increase of 41,000 books over her preceding year.

"Outstanding branches," she said, "were Penticton with an increase in circulation of 11,000, and West Summerland with an increase of 6,000. The last named place is now the third largest branch in the area."

With the inclusion of Lower Town and Trout Creek, the Summerland district was up 7,000 books; Salmon Arm and Armstrong, 2,000; Oliver, 1,000.

A total of fifty-six branches, she told the board, plus the general increase in circulation, has increased the activities of the department where "book trips" to the various centres are planned.

While the present book stock is 63,145-6,602 were catalogued during 1954-increase of 6,000. Books placed "more books" high on the priority list.

## Kelowna school district starts working on budget

1955 budget of Kelowna School District 23 will be submitted to the various municipal councils on or before March 15, C. T. Hubbard, board chairman, stated today.

Trustees recently received a copy of the public schools act which deals with the new system of sharing education costs. Board members filed with department of education their estimates before February 15. Figures will be reviewed by the department, and Mr. Hubbard pointed out the board will be advised before March 10 as to whether Victoria has approved operating expenditures. At the same time board will be advised of the tentative figures for assessment purposes.

Mr. Hubbard said municipal councils must approve or reject the estimates before March 31. Department will supply the board by April 15 certified assessment values upon which the distribution of estimates are apportioned for final determination of the budget.

"With the government bearing a larger share of the costs of education, it is only reasonable to expect that they will determine what are reasonable and approved operating expenditures," Mr. Hubbard said.

There are still some items dealing with government grants which require further clarification, thus making it impossible to present a real picture of the final estimates.

The Jaycees plan a "Salute to Past Presidents' Night" the latter part of April, and are anxious that they have up-to-date details of the history of the local club.

Anyone having this information in their possession is requested to return same to Pat Moss, a member of the Jaycees executive.

## Ogo's eye found

Ogopogo's eye has turned up on the desk of Medicine Hat's mayor, Harry Viener.

Wrapped in a piece of brown paper, the parcel contained a note, suggesting that Mr. Viener return the eye to Mayor J. J. Ladd before "civil war breaks out in Kelowna."

Someone gouged the left eye out of the replica of Ogo which sits at the lower end of Bernard Avenue. A former 'Hat resident is suspected of sending the eye to the prairie city.

## SIDEWALK PETITION

Residents of the east side of Abbott between Birch and Morrison, have petitioned the city for the construction of a boulevard curb under the local improvement bylaw. The matter has been laid on the table for consideration in the estimates.

## Polio blitz next Monday

Fireworks, sirens, horns and radio signals will be used to launch the Kinsmen "Fourth Light" Polio drive, when three hundred marching mothers swing into action between 7 p.m. and 8 p.m. next Monday.

The areas between North Street and the Okanagan Mission and East Kelowna, will, according to Mrs. James Logie, chief organizer of the campaign, be canvassed for the first time. "Owing to the distances between houses, the usual canvass method will be altered," she said. Rather than have a mother call at each house in the Mission area, a telephoning committee will urge householders to leave their donations at Hall's General Store.

The East Kelowna canvass, to be directed by Mrs. G. Porter, will be handled in the same manner, donations to be left at the East Kelowna Cafe. "The area from North Street south to the Beacon Auto Court," said Mrs. Logie, "will be canvassed in the usual way."

The Glenmore donations are to be left at Selzer's Glenmore store; in charge of that area will be Mrs. F. Snowsell.

## Ratify appointment of school trustee

Word has been received this week by the school board offices that J. Cameron's appointment as trustee for the Peachland area for another two year term has been sanctioned by the council of public instruction, according to secretary-treasurer's report at regular meeting of the board of trustees last Thursday evening.

## Find satisfactory number of books for children

The 17,198 books stocked for children by the Okanagan Regional Library, works out to about one book per child registrant. This, according to children's librarian Miss E. Webb, is just right. Circulation generally is increasing, both in the schools and to the branches.

In reporting the year's work at the recent annual meeting, Miss Webb told the board that approximately 630 children attended the thirty-nine Saturday morning story hours held in Kelowna. One of the most interesting jobs of the year, she said, was the work done at the Sunnyvale school.

## Kelowna nearly lost its arena

Kelowna nearly lost its arena Thursday night. Sometime prior to or during the first period of hockey, someone threw a cigarette butt or a match down one of the air ducts in an upstairs washroom. It fell below, quickly igniting the dust in the ventilator.

Firemen were called, and quickly extinguished the blaze. Even Mike Durban, himself a volunteer fire fighter, pitched in with brigade members. Smoke hung over the arena ice for most of the second period.

It was pointed out that had the fire started after the game was over, it is probable Kelowna would not have an arena today.

## Blood donor clinic

Red Cross blood donor clinic will be held in Kelowna March 1-2-3. Last year's clinic was cancelled due to a minor outbreak of jaundice.

Clinics will also be held at Winfield February 28 for Winfield, Okanagan Landing and Osoyoos residents. Kelowna clinic will be set up in First United Church hall, and will operate from 1:30 to 4:00 p.m. and from 6:30 to 9:00 p.m.

Twenty-two Kelowna and district residents have given ten or more pints of blood to the Red Cross, and received their gold buttons. Three have given 20 or more pints.

## Kamloops man dies when struck by car

Edward Meyers, 34, of Kamloops, died almost instantly when struck by a car on Highway 97, about 13 miles north of Kelowna Saturday night.

Meyers was a passenger in a car driven by Ernest J. Proctor, of North Kamloops, and was endeavoring to retrieve a purse which Mrs. Proctor had dropped out of the moving vehicle. Alleged driver of the car which struck Meyers was Bruno Gutknecht, of Vernon.

The Proctors and Meyers were driving south to Kelowna to attend a hockey game. Mrs. Proctor was endeavoring to secure the front door of the moving car when the purse dropped out. After the driver made a U-turn, Meyers got out of the back door, stepped across the roadway and was struck down in the centre of the road by the car proceeding south.

AMBULANCE CALLED  
Ambulance was called, but the man was pronounced dead upon arrival at hospital. An inquest will be held today under Coroner Dr. J. A. Urquhart.

Meyers was a prominent Kamloops sportsman, and was an outstanding baseball player. A short time earlier, Frank Galinski, of Winfield, was rushed to hospital, after his car ran off the road at the CNR overhead bridge, a few miles south of the fatality. Galinski was pinned under his car. He was rushed to hospital by Peter Nickel, Winfield, suffering from cuts and bruises. Victim was released from hospital Sunday.

## Rural pupils will also get holiday

After considerable discussion the trustees of School District 23 approved Mayor J. J. Ladd's request for a holiday for school children on May 4, Kelowna's 50th anniversary. This action, however, must be ratified by the department of education. J. F. Klassen felt that, while the Kelowna schools should be closed on that day, schools in outlying districts need not be included since a similar occasion in Osoyoos or Peachland, for instance, would not merit closing Kelowna schools.

J. Cameron, Peachland, and George Day, Rutland, pointed out that Kelowna's growth and development during the past fifty years has been definitely reflected and contributed to by the populace of the outlying districts. Hence interest in the celebration is shared by these people.

## Rutland man killed in accident

David Nichol, of Rutland district, was killed in a logging accident at Kamloops on Sunday. According to meagre reports, Nichol was struck by a falling tree. He died in Kamloops hospital.

He came to Kelowna eight years ago from the Peace River district. Besides his wife, he is survived by two children. Remains are being forwarded to Day's Funeral Home. Funeral arrangements will be announced later.

Both Mrs. Nichol and her son, who resided in Kamloops for three years, He was employed by Royalite Oil Company as an apprentice engineer. His mother lives in Vancouver.

## Student curlers leave Wednesday for Sydney, N.S.

Kelowna high school curlers will be winging their way toward Sydney, N.S., in quest of the Canadian High School Curling Championship, thanks to the generosity of the B.C. Curling Association, local organizations and individuals.

Required \$2,000 to make the trip was obtained on Saturday. Total of \$402.87 was raised in a tag day while the B.C. Curling Association contributed \$1,000. Balance was made up by Kelowna service clubs and other organizations.

B.C. curling championship team is composed of Dennis Reid, skip; Bev Trautman, Dale Gregory, and Bud Meckling. Vic Gregory, father of Dale, will accompany the team as chaperon. In view of the fact that their coach, Fred Hadfield, cannot be released from teaching duties, the Kelowna team won the right to enter the Canadian finals when they won the B.C. championship at Nelson.

The boys leave here Wednesday via train to Calgary and will fly east from Calgary. Finals open next Monday.

Mr. Gregory said regatta publicity material will be distributed when money spent. One or two service they are in the east. B.C. Tree clubs have yet to make donations.

## Out of action

Bob Lalonde, Packer goalie, will not see action tonight in the second game of the best of five semifinal series against Kamloops Elks. Eight stitches were necessary to close a cut in the eye which he received in a practice Sunday. Packer early this afternoon were hopeful they would get Gerry Kohole, of Nelson, as a replacement. CFA plane may be unable to land at Castlegar, in which case veteran Al Lafave will be between the pipes.

## C. R. Reid again chosen to head Kelowna SPCA

C. R. Reid was re-elected president of the Kelowna Branch of the S.P.C.A. at the annual meeting held last week.

Other officers elected were: H. Tait, R. Archer-Houston and Major D. G. Cameron, vice-presidents; C. R. Bull, Mrs. A. G. Shelly, Mrs. Richards, Mrs. Sturrock, D. G. Webster and Mrs. Tallyour, committee. During the meeting, Mrs. Allan, a late resident of the Okanagan Mission, was elected a life member.

Reporting on the year's activities, Mr. Reid reported very few cases of suffering animals. Mr. Reid was appointed early in the year as district inspector. His district runs from McCulloch to Osoyoos, Ewing's Landing to Peachland, and back to McCulloch.

## Health unit will hold meeting at Penticton

First quarterly meeting of the Union Board of Health for South Okanagan Health Unit will be held in Penticton next Wednesday at 1:30 p.m.

Election of new executive; talk on polio-vaccine; vaccination program for the valley, and presentation of annual reports will highlight the meeting.

## Directors of Okanagan Regional Library

It's not easy to smile after a gruelling day's discussion but the newly-elected executive of the Okanagan Regional Library, above, found they had much to smile at when considering both the library's progress and its future.

Left to right, front row: Mrs. A. W. Vanderburgh, Summerland; W. B. Hughes-Games, chairman; and Mrs. E. MacCleave, Penticton. Back row: G. C. Hume, treasurer; G. W. Game, Armstrong, vice-chairman; R. M. Fenwick-Wilson, Osoyoos; Mrs. M. Foulkes, librarian, and E. G. Broeder, Salmon Arm.

## Bills marked "PLEASE REMIT"

Most people have had a bill sometime, bearing the words, "Please remit by return mail". And many of us have not always been able to send payment by return mail. A large unopened bill, or a lot of little ones, can often cause this to happen. Most people don't realize that all they need to clear away their debts is a little more time. It's a simple way to get back on your feet. Friendly loans up to \$1500 from Niagara are life-insured at no extra cost to you. Besides, on many friendly loans, the rates are lower. If you need money why don't you give yourself time to pay by arranging a Niagara loan. We'll be glad to see you ... so just drop in.

## Presented with Hawaiian lei of friendship

G. D. Loane, right, member of the Rotary Club of Kelowna, is presented the traditional Hawaiian lei of friendship by Roy Turner, left, Honolulu Rotarian. Mr. Loane, one of 450 Rotarians from 46 states and 12 foreign countries entertained in recent

months by the Honolulu club met well-known Island businessmen of this city of a quarter-million people at the weekly luncheon of Honolulu Rotary. He recently returned home.

## High school radio and drama club members show excellent talent in presentation of play "I Remember Mama"

It was a well-filled auditorium Friday evening that was privileged to view John van Druen's play, "I Remember Mama" as presented by the Kelowna Senior High's Radio and Drama Club. It was truly a triple success: an appreciative audience, fascinating play and a well-picked cast.

Joan Spriggs, in the role of Mama, was outstanding in her portrayal of an understanding mother devoted to her family and generous toward her interfering relatives. Ted Matte was exceptional, too, as Papa. He seemed to almost live his part and appeared very much at home on the stage.

The children, Katrin, Christine, Dagmar, and the only son Nels, were equally as well enacted by Rondeau Lewis, Judy Lobb, Florence Leider, and Ted Scullion, respectively. Each depicted the individualistic characteristics of his part without severing the family bond which was so necessary to make the play the success it was. The quarrels between the two older sisters over Katrin's graduation present were especially realistic, and Katrin's eventual unselfishness was so well put across that it brought tears to the eyes of the more tender-hearted people in the audience.

Mr. Hyde, the literary genius who boarded at the Hanson home, was a challenging role for Joe Laverty—a difficult part given almost a professional touch.

### LOVE AND MARRIAGE

Love and marriage were brought into the play in the persons of Aunt Trina and Mr. Thorlakson, played by Rose Bulach and Bill Linden. Unfortunately the shy Mr. Thorlakson's only punch line—his courageous avowal of his love for his wife and his interest in her happiness—lost much of its effectiveness because of a slow curtain. Rose Bulach is to be commended for her performance of the love-sick aunt.

Aunt Jenny, the more obnoxious of the two other aunts, was played

ed by Kathleen Peterson, while Dagmar, and the only son Nels, were equally as well enacted by Rondeau Lewis, Judy Lobb, Florence Leider, and Ted Scullion, respectively. Each depicted the individualistic characteristics of his part without severing the family bond which was so necessary to make the play the success it was. The quarrels between the two older sisters over Katrin's graduation present were especially realistic, and Katrin's eventual unselfishness was so well put across that it brought tears to the eyes of the more tender-hearted people in the audience.

The minor roles were filled by the following: Rita Ferstel as Mrs. Halvorsen; David Price as Dr. Johnson; Craig Hayman as Arne; the first nurse was Karen Pollard and the second, Shirley Fitterer; soda clerk, Bruce Baneroff and the two school chums of Katrin were, Madeline, played by Beverly Green and Dorothy Schiller enacted by Marlene Smith.

Of the minor roles, the second nurse was exceptionally well characterized. Her natural appearance and efficiency in addressing Uncle Chris were exceptional. If there were any major slips in speech or actions they were so well covered up that the audience had no time to feel uncomfortable for the bewildered players. Mood of several scenes was particularly enhanced by the lighting effects.

Only things that might have improved the play were a revolving stage to speed up scene changes and musical interludes to help carry over the mood from one scene to the next. The band music between acts, while appealing, failed to hold the mood of the play as it might have, done had a softer

## Lakeview Heights women's group organized.

WESTBANK — A Lakeview Heights Auxiliary, the first women's organization to be formed in the new V.L.A. district in Westbank, came into being recently. In spite of wet weather 18 ladies met in the firehall and amid much enthusiasm launched their new group. The officers elected were president, Mrs. S. E. Thornber; vice president, Mrs. J. St. Dennis; secretary, Mrs. George Stevenson; treasurer, Mrs. P. D. Howse. Entertainment, committee, Mrs. Arthur Smith, Mrs. George Gray, Mrs. M. B. Greenwood and Mrs. R. C. Sherwin.

The need for such an organization in Lakeview Heights has been felt in this rapidly growing district. In a new and constantly growing town there is always something to stimulate the imagination and enthusiasm, and Lakeview Heights is not lacking in civic pride.

Judging by the goodwill and co-operation the ladies showed at their initial meeting, this group will be willing and ready to give their assistance to all worthwhile undertakings, and will be of great help in the development of the project. To raise money, a card party has been arranged for the evening of February 25 at 8 o'clock in the firehall.

## Kelowna couple, Mr. and Mrs. J. Bewick, will observe 40th wedding anniversary

Mr. and Mrs. John Bewick, 787 Coronation Ave., will celebrate their fortieth wedding anniversary this Wednesday.

Mrs. Bewick contracted arthritis about a year ago but under the care of Dagny McGregor and Dr. George Athanas, she has almost recovered from her affliction.

## Quiet wedding performed here

Lynda Allena Marie Barrett, daughter of Mr. and Mrs. Arthur Barrett, Blackfoot, Alberta, and Charles Frederick Wright, formerly of Nanaimo, were married quietly in the United Church manse last Thursday evening, the Rev. R. S. Leitch officiating.

Attending the bride and groom were Eleanor Barrett, sister of the bride, and Donald Barrett, the bride's brother who is stationed at RMS Esquimalt.

Mr. and Mrs. Wright will make their home in the Jubilee Apts.

## Winfield

WINFIELD—Mrs. M. Pelle, of Creston, one of the delegates to the recent district meeting of the FV-WU in Penticton, was a recent visitor at the home of Mr. and Mrs. B. Cooney.

Mr. and Mrs. C. MacDonald and family, now residents of Princeton, were week-end visitors with relatives at the Centre.

Plans were formulated for a card party to be held early in March when the St. Paul's W.A. held its regular meeting last Monday afternoon at the home of Mrs. S. Hikichi. After the devotional led by the president, the treasurer's report was presented and discussed. As a result a substantial sum was voted to the committee for use on the upkeep of the manse at Rutland.

### OPEN HOMES

Many Kelowna citizens opened their homes to skiers over the week-end providing billets for most of the out-of-town competitors.

# Kamloops takes lead in semis downing Kelowna Packers 4-3

Kamloops Elks too the lead in the best of five semi-final series of the Okanagan Senior Hockey League here Saturday night when they downed Kelowna Packers 4-3.  
The two teams meet again in Kamloops tonight and Wednesday, and a fourth game, if necessary will be played here Friday. Winner will meet Vernon Canadians in a best of seven series for the right to advance against the Kootenay champions.  
Apart from the game itself, it was strictly a Bobby Dawes night. The former NHL star, now playing defence for Packers, was awarded the league's most valuable player award and also received the Mor-eze trophy for being chosen the most popular player on the Packer team. A wrist watch also went with the latter trophy.  
It would have been a storybook Packers 10-9 in the third. First period was rough and bruising with a total of four penalties being handed out. Creighton was given credit for a goal after it was deflected into the net by Dawes, as he was attempting to clear.  
Duke made it 2-0 banging in a rebound after Connors first fired. Millard was given a penalty for slashing, but Packers failed to capitalize on the one-man advantage. Midway in the session, Lucchini scored, but the goal was disallowed as a man was in the crease.  
Packers scored their first goal at the 12:24 mark when Chalmers golfed one into the net on a pass from Hanson and Booth. Then Booth tied the score at the three-quarter mark. Taking a pass at the Kamloops blue-line he skirted the defence and lifted the puck into the corner of the net.  
**PACKERS TAKE LEAD**  
Dawes put Packers ahead for the first time at the 1:28 minute mark on a beautiful three-way play with Middleton and Durban. Three minutes later, Millard came back on what seemed a comparatively easy shot which Lalonde muffed. Conn scored the winning goal at the 9:21 mark.  
Slap shots... Hockey club officials anticipated a much larger crowd which may prove to be the last senior "A" game this season. Did you notice any disappointed looks on the faces of some of the hockey players when the popular player award winner was announced? High school curlers looked very smart in their new sweaters, thanks to the generosity of Kelowna residents and B.C. Curling Association. At least two of the goals that got past Lalonde looked comparatively easy ones.  
**SUMMARY**  
First period—1, Kamloops, Creighton (unassisted) 10:12. Penalties: Connors, Kerr, (10-minute misconduct), Kirk, Middleton.  
Second period—2, Kamloops (Connors) 1:40; 3, Kelowna, Chalmers (Hanson) 12:21; 4, Kelowna, Booth (Chalmers) 18:43. Penalties: Millard, Chalmers, H. Amundrud, Conn.  
Third period—5, Kelowna, Dawes (Middleton, Durban) 1:28; 6, Kamloops, Millard (Hryciuk) 4:03; 7, Kamloops, Conn (Slater) 9:21. No penalties.

## Packers win in overtime

Packers and Elks could well have been playing for a berth in the finals Thursday night.  
Both teams turned in an excellent exhibition of wide-open, razzle-dazzle play which the Kelowna squad won 5-3 following an overtime session.  
Kelowna went ahead 2-0 at the end of the first but in the second session, score was tied 3-3. There was no scoring in the third. In the overtime canto, the applicable knockers counted twice and held the visitors scoreless.  
Wall broke the tie in the extra period on a neat pass from Swarbrick when the locals had a man advantage. Booth clinched the game on a pass from Dawes, less than three minutes from the end of the overtime.  
**POT SHOTS**... Frank Kuly looked smart on a number of plays. The ex-Packer will bolster Kelowna's defence for the balance of the semis... Lalonde looked weak on a couple of goals. Mike Durban had a full night. Besides scoring a couple of goals the popular forward pitched in at the end of the first period and helped firemen extinguish a blaze in an air duct, caused through some stupid idiot throwing a cigarette butt or lighted match down a ventillator... Only the "faithfuls" turned out for Thursday's contest about 800 all told, including children. One of the main weaknesses of Packers is the inability to clear the puck from their own zone when the opposition is pressing.

## Bobby Dawes captures trophies

Bobby Dawes receives most valuable player award from donor R. M. Johnston.

BCAHA president, Dr. Mel Butler, presents most popular player award, the Mor-eze trophy to the Kelowna defenceman.

Bobby Dawes, popular Kelowna defenceman, collected all the hardware, when presentation of two trophies was made at Saturday night's game. Most Valuable player award is voted on by the coaches and managers of the four teams (they cannot vote on their own player) while popular player award is chosen by ballot system.

## Oilers take lead in hoop semi-finals

Kelowna B.A. Oilers played offensively-defensive basketball Saturday night to knock over Penticton Omegas 56-37 in the first game of a two-game total-point series in the southern city. The win gives Kelowna a 19-point lead to go into the final game of the semi-finals. That game will be played in Kelowna this Saturday night, at 8:30 p.m.  
Outstanding for the Kelowna team was centreman Bob Reisig, who, although only scoring four points, held down high scoring Conley of Penticton, to 10 points.  
Oilers checked Omegas into the floor on the defense, and used a passing fast-break type of game to rack up the points. Ritchie and Martino were banned from the game in the last half for fighting. Kelowna was whistled for 14 fouls; Penticton for 18.  
**SUMMARY:**  
KELOWNA: Dean 13, Martino 15, Reisig 4, Ferguson 3, Butcher 9, Ball 3, Fritz, Mackie, Tostenson. Total 56.  
PENTICTON: Raptis 2, Powell 6.

## Bill Warwick has eye cut during fight

**PENTICTON**—Over 3,100 fans turned out at the last game of the season in Penticton's Memorial Arena Thursday night, and proceeded to watch one of the most spectacular games seen on Penticton ice since the Allan Cup playoffs.  
It was a game that had everything—furious outburst of temper—wild fisticuffs, speed and constant end-to-end rushes and some sensational play by both teams, with Vernon's George Agar turning in the best solo performance of the night. This was not European hockey. It was strictly Canuck stuff—at its crowd-pleasing best.  
The fact that Vernon won the game 7-6 was almost incidental, despite the fact that both teams were obviously playing to win. The V's started slowly, and were caught napping as the visitors struck for a pair of quickies. From then on play was evenly divided, but the Canadians had the margin and kept it.  
A terrific fight right at the horn after the opener featured Vernon goalie Hal Gordon and Bill Warwick. Both emerged bleeding from the affray with Warwick receiving stitches for his cut over the eye.  
Midway through the second period Lavell cracked Grant Warwick over the head and at the next opportunity, after Lavell returned from his high-sticking penalty, Conway and he got into a wild fist duel in which Lavell very much got the worst of it.  
Before the final got underway BCHA president Mel Butler presented the Becker award to the V's for winning the OSAHL title, and spoke to the crowd saying, "the political shake-up that has just taken place in Russia is nothing on the shake-up that will take place in this world hockey picture when the V's meet the Russians in March."  
Main reason for the V's defeat, apart from the unexpectedly fierce defensive strength, time after time Agar and company pounced through play, Ivan McLennan, who was playing his heart out in the V's net. The Allan Cup Champs felt strongly the lack of star defenceman George McAvoy. Forward-defenceman Jack McIntyre also was absent from the V's ranks.  
**CHANGE TO BUSES**

## Presentation of hockey awards

This has been one of my pet beefs, and I may as well get it off my chest now that the official presentations have been made.  
Several weeks ago, the valley press and radio was requested by the Okanagan Senior Hockey League to withhold the naming of the mythical all-star team. Reason given was that it has a bad psychological effect on the players of the teams concerned as they headed for the playoff trail. While one or two columnists of Okanagan papers questioned the reasoning of the powers-that-be, I could see their point, and went along with the league executive. I went along AFTER I was assured that no cups or trophies for the most VALUABLE player or the most POPULAR player would be awarded until the last game of the final playoff series.  
And what happened Saturday as the OSHL executive in request-bear on the local executive, partly from the donors of the trophies, and the award were duly presented. When questioned why the awards were withheld, the answer this corner got from several sources was that "this may be our last game."  
What a defeatist attitude to take! We're not saying that Bobby Dawes did not deserve the double hardware. It was a popular choice in both cases from the fans' point of view. Dawes and two other players, in the opinion of many hockey followers, made up the entire team. But did anyone take time out to notice the faces of one or two of our players when the name of the most POPULAR player was announced?  
Reason why I think these trophies should not be awarded until the first place, with all due respect to the donor of the most POPULAR PLAYER award, the voting system is all screwy. Why, a person could get at least 50 or 100 faithful hockey fans to pump for one individual player for the 27 home games. They could also pick up the hockey programs at the end of a game, fill out the ballots, and stuff them in the box. It just does not make sense.

## Coy Cup semis open tonight

First game in the best of three semi-finals for the Coy Cup will open in Vernon tonight between Kelowna and Vernon. Second game is slated for Kelowna Wednesday.  
Vernon finished at the top of the league, with Kamloops second, Penticton third and Kelowna in the cellar.  
Kelowna's line-up may be bolstered Wednesday with the arrival home of the Hicks' twins, Wayne and Warren. Defenceman Frank Kuly stepped up to Senior "A" company when Packer coach Alex Shibikey desperately needed a defenceman.  
The Hicks' twins have been playing Junior hockey with Moose Jaw Canucks.

## Women curlers win trophy

Mrs. V. Cumming's curling rink defeated Mrs. Fessant in a challenge game at the Kelowna Curling Rink Wednesday afternoon, thereby winning the Shireff Trophy.  
Other members of the Cumming's rink were Mrs. J. Witt, Mrs. M. Hall, and Mrs. G. Cnollik. On Mrs. Fessant's rink were Mrs. C. D. Newby, Mrs. G. A. Grieg and Mrs. N. E. DeHart.

## Trophies for other endeavors

It's not only hockey awards that were the top athletes, and that Terry Tobacco in the opinion of Sun readers and the judges, was the leading athlete.  
I well remember a few years back, when a smoker was held for Packers. A certain player was named the most VALUABLE player. But he wasn't there to receive it. He left the next day after Kelowna home games. They could also pick up the trophy programs at the end of a game, fill out the ballots, and stuff them in the box. It just does not make sense.  
Let's not kid ourselves. These trophies are put up for the advertiser using value the donor will get out of it. Which brings up a point. Is the donor in a position to tell the hockey executives when and where they shall be presented? If the Kelowna hockey moguls thumb back through their minutes, I think they will find a small notation to the effect that all trophies will be awarded AFTER the playoffs.

## My personal choice

With all due respect to Bobby Dawes, a great hockey player, if there was a Courier trophy to the most POPULAR player, it would go to Jim Hanson, with Jim Middleton a close runner-up.  
I wonder if those extra 250 fans attended the game as was anticipated at the end of the season, is the same by the hockey executive, after the door was closed to radio station commentators? It's no way to build up good public relations.

**Penticton Vees will meet Russian hockey team Mar. 6**

March 6 is the big day... the day the eyes and ears of the hockey world will be rooted on the ice palace at Krefeld, West Germany.

On that day, the last of the World Hockey Tournament, the Penticton V's will meet the Russian hockey team. And it will quite likely turn out to be a game to outdo a Stanley Cup tilt for sheer drama, as the title of "World Champions" may depend upon the outcome.

Nine countries are to be represented in the main section of the hockey jamboree, the "A" division; Finland, Poland, Czechoslovakia, Switzerland, Germany, USSR, Sweden, USA and Canada. This means that each team will play eight games, or one against every other entry.

The tournament and world champion is the club that ends with most points at the end of its schedule, judged on the same basis as hockey in Canada—two points per win, one per tie.

Great Warwick and the V's open against the U.S. squad at Dortmund, February 25, and play their seven remaining games in the next nine days, ending with the tilt against Russia March 6.

The four cities hosting the tournament are Krefeld, Cologne (or Koln), Dusseldorf and Dortmund.

The tournament is actually divided into two sections, "A" and "B". Russia is defending champion in the "A" group, Italy of the lower calibre "B" section. Countries with representative teams in the latter are Italy, France, Austria, Belgium, the Netherlands, Hungary, Yugoslavia and West Germany B team.

Total number of countries taking part in the tournament is 17, the largest entry list ever.

Following is the group "A" schedule of the World Hockey Tournament, as announced Sunday by the International Ice Hockey Federation.

**February 25**  
Sweden vs. Germany—Krefeld.  
Russia vs. Finland—Dusseldorf.  
Czechs vs. Switzerland—Cologne.  
Canada vs. U.S.—Dortmund.

**February 26**  
Germany vs. Poland—Krefeld.  
Canada vs. Czechs—Dusseldorf.  
U.S. vs. Finland—Cologne.  
Russia vs. Sweden—Dortmund.

**February 27**

Sweden vs. Switzerland—Dusseldorf.  
Canada vs. Poland—Cologne.  
U.S. vs. Germany—Dortmund.

**February 28**  
U.S. vs. Switzerland—Krefeld.

**WESTBANK**—Western Homes and Living for February is more than passing interest to all residents of the Okanagan. It contains pictures of the Allen Bent and J. D. Burnley homes in Penticton. Jud and Dot Ribelin's remodelled kitchen in their Kelowna suite, the lovely lakeside residence of S. A. McDonald at Okanagan Mission and the ultra modern Wally Wilson home on Lakeview Heights in Westbank. This house is fully electric and has many special features, which attracted the Western Home Editors.

There is no doubt the shore of Okanagan Lake as a setting for a home has great appeal for Coast people. A view overlooking the lake and Kelowna on the far shore is given with this caption, "As if all these attractive and clever features weren't enough, the Wilson kitchen also offered this magnificent view of Okanagan Lake seen from the wide window over the sink."

Okanagan fruit recipes, supplied by Dorothy Britton, home economist of the Summerland Experimental Farm staff are also featured.

**VANCOUVER**—Formation of a panel of legal experts who will give half an hour of legal advice for \$5, primarily to aid mid-income groups, is being considered by the B.C. branch of the Canadian Bar Association.

## Says additional books are needed at local library

The target number of books added in one year to the Okanagan Regional Library is still not enough, according to order-librarian Miss A. L. Stiell's report to the annual meeting held recently.

"With branch circulations thriving," she said, "the cry is still for more and books. Our aim is to have at least one book per person." The present stock of 62,000 books falls short of this ambition since the estimated population of the area served is 70,000.

During the year, a grant of \$800 was made by the Public Library Commission which bought 241 books, and the public contributed 292 books. Requests amounted to more than 7,800, slightly more than half of which were non-fictional demands.

## Missionary to address group

Rev. Donald K. Faris, pastor of Naramata United Church, a man with 30 years of experience in the mission fields and UN work in the Far East, particularly in China, will address the Kelowna Group of the United Nations Association on the subject "Political and Economic Problems in the Underdeveloped Countries of Asia" on Wednesday evening, February 23, at 8.00 p.m. in the Health Centre.

Rev. Faris began his career in China in 1925 as missionary with the United Church of Canada in evangelistic, agricultural, rural and latterly educational work, prior to leaving there in 1942. For the next two years, he served with the RCAF as chaplain and in 1945 he became administrative liaison officer, with UNRRA on the Yellow River diversion work. Further work with the UN included work with the UNICEF (United Nations International Children's Emergency Fund) in China.

In 1950 he served as vice-principal and Dean of Men at the Christian Leadership Training School at Naramata, and in 1951, took up work again with the UN as Director Bureau of Rural Services with the United Nations Reconstruction Agency, in Pusan, Korea.

## Films available at city library

While the Okanagan Regional Library does not own any films, from one source or another, a total of 92 were circulated last year throughout the region.

Film librarian Inez M. Acland told board members at the recent annual meeting that at the present time, thirty-six films are on loan to the library from the National Film Board. Lists of films available may be obtained from the library custodian.
